

Bayliner 340 Sports Cruiser V8 with Digital controls and low hours

One of the larger Bayliner Cruisers on the market, with a Yacht certification and Capacity of up to 11 persons, the Bayliner 340 has a large, one level Cockpit with lots of innovative features only available on this model. This allows for a great entertaining area, with the feature of a swivelling captains chair to give you the extra seating which faces backwards when entertaining.

This Bayliner is an Australian delivered vessel with the Larger engines, Bravo 3 legs (Duo Props) and digital engine controls from factory - the 6.2 V8's, giving you much more power than the traditional V6's.

The cockpit has a custom Soft/Hardtop construction which is a semi permanent fixture, making it easy to enclose the cockpit and making another liveable area on those colder days.

The swim platform can hold a Baitboard for fishing or a Brand new Stainless Steel BBQ.

There is a 6KVA Kohler Generator, which gives you 240v power for your Aircon and all your house hold appliances and allows you cruise offshore with all the comforts of home.

The boat is mechanically sound and all equipment on board is working well. Service history with books and receipts available for all work done.

The only thing that this Bayliner with need is some TLC on the topsides as the boat was painted at some stage and will need some touch ups.

The condition of the outside is reflected in the price asking for the boat.

This is a solid and sound vessel and is a lot of Bang For Buck.

Specifications are as supplied by the vendor and are believed to be correct but not guaranteed. Prospective purchasers are advised to obtain an independent survey report and mechanical check. We are South Australia's Beneteau, Caribbean, Garmin, Dockmate Dealers and SA Premium Boat Brokers that can take care of your boating needs.
