

Beneteau Barracuda 8 with FAB Dock*, Joystick control & heaps of extras

Beneteau, one of the oldest boat building companies in the world, launched the Barracuda range of boats a few years ago.

The Barracuda 8 is one of its most popular models, with its size and ability to handle pretty much anything thrown at it. Beneteau's expertise in hull development is evident on this Barracuda - the AirStep technology allows faster acceleration, increased maximum speed & better fuel efficiency, while the 'air cushion' effect at the aft of the hull allows a comfortable ride.

The impressive 8.5m LOA, 2.80m beam and decent walk-around deck provides a stable fishing platform. Beneteau's well designed deck plan ensures on board comfort. Features include a forward v berth accommodating 2, toilet with holding tank, a lock up & fully enclosed cabin, seating for 3 aft cabin and 2 captains chairs on air ride suspension seats. The large aft fishing station is a dream for keen fishermen & fisher-ladies, complete with a work table, rod & drinks holders and multi-functional bench seat - simply pop your catch into the live bait well!

This 2018 Barracuda 8 is loaded with so many extras and will be sold with a FAB Dock*, which can be transported in the back of a Ute or the back deck of the boat when packed up, making it easy to change locations.

* FAB Dock available for sale with the boat at additional cost of \$10,000

Some of the options that have been fitted, such as Flir Camera, Joy stick control with virtual anchoring, spotlights for easy night time fishing & docking, zipwakes, solar panels and custom rear awning that can be folded away, make this a truly valuable boat.

The Mercury 150hp outboard engines have been recently serviced and boat was recently cut and polished and antifouled, making this a turn key vessel.

This amazing Barracuda 8 is ready for a new owner that will appreciate all the extras.

Specifications are as supplied by the vendor and are believed to be correct but not guaranteed. Prospective purchasers are advised to obtain an independent survey report and mechanical check. We are a South Australia's Beneteau, Caribbean, Garmin, Dockmate Dealers and SA Premium Boat Brokers that can take care of your boating needs. We are also BIA registered.
