

Arvor 700 Weekender Fitted with a Yanmar diesel upgrade

A great all round boat with comforts & luxuries - all fitted into just 7m & towable!

The Weekender has been part of the Arvor boats line-up for some time and is still the company's best-selling current model; probably because it is offered as a turn-key proposition with all the help that makes boating easy. Features include accommodation that sleeps five, an enclosed head, cooking and refrigeration, a bowthruster, windlass, trim tabs and shorepower/battery charger, and plenty of room to spread out.

This Arvor sits on a 3500kg rated Aluminium trailer, which makes it a rare find. It's able to be towed with a vehicle that has a 3500kg towing capacity, so it can be used just about in any location.

Life on board offers comfortable accommodation in a dedicated double v berth with attached head/toilet, single berth, and drop down table to convert into a double. The galley includes sink, cooktop and fridge / freezer. The cockpit area features cushioned seating, and the large rear deck offers a large & spacious area, perfect for entertaining, sunbathing on the sun bed, and of course, fishing!

The Arvor Weekender has loads on offer for couples, families, entertainers & keen fisherman & fisher ladies!

Specifications are as supplied by the vendor and are believed to be correct but not guaranteed. Prospective purchasers are advised to obtain an independent survey report and mechanical check. We are a South Australia's Beneteau, Caribbean, Garmin, Dockmate Dealers and SA Premium Boat Brokers that can take care of your boating needs. We are also BIA registered. All viewings of boats are appointment only, call us today!
