

Bluewater Cruising Yachts Bluewater 420CC - A true Blue Water Yacht

The Bluewater 420CC is a Joe Adams Design, probably one of the best cruising yachts ever built in Australia, with world class construction and fitout and the thought of long distance cruising in mind.

Footloose II is in excellent condition with an impressive inventory, and is ready to sail anywhere. She is an exceptional Bluewater built Yacht that is capable of cruising anywhere in the world, with strength and seaworthiness in mind. Footloose II has backup systems in a yacht that could take him anywhere in the world. This is a yacht that has been maintained fastidiously and would represent an exceptional buy.

A great looking boat that attracts compliments wherever she goes, Footloose II is sea kindly and has exceptional sailing performance on all points. The centre cockpit makes her light, airy and spacious and gives excellent visibility. She is fast, comfortable, safe and always a source of pride for her owner.

Footloose II boasts a fast, sea kindly hull with moderate beam & sufficient volume to carry weight of the gear & ample stowage for extended cruising. The centre cockpit allows great space & comfort with features such as teak seats with custom cushions, teak flooring, lockers and swim platform with ladder. The cockpit can also be fully enclosed.

Full instrumentation at the helm includes nav data repeater, anchor winch control, autopilot controls, wind, speed & depth gauges. Every thing has been thought of in "SY Footloose", with storage in mind as well as extended stays and live a boards.

The accommodation is well set out with a Double stern Master cabin and forward V berth accommodation 4, both offering plenty of storage. The u- shaped dinette can seat 6 and has a small lounge opposite.

A large starboard side Galley with plenty offers storage and adequate bench space for meal preparation, and is equipped with large fridge / freezer, microwave, gas 2 burner stove, kettle & toaster.

With a 900l water capacity, a water maker, and 580l diesel, she is a go anywhere yacht and self sustaining for long voyages.
