

## Witchcraft 7200 Diesel with low hours

Witchcraft boats are built to a commercial standard, which means built tough. This Witchcraft 7200 is made to go to the deep and chase game fish as well as inshore fishing. Equipped with a Volvo Penta KAD Diesel engine, which is economical and powerful at the same time. Offering an above average cruising speed, which makes it the perfect vessel to go long distance.

Based on a Galvanised trailer, that has just been serviced, new bearings, breaks etc, to make sure that you get the boat to the boat ramp with no issues. The total package weight come in at just 3610kg, you will need a upgraded GVM on your standard base 3.5 T towing vehicle or a light truck to tow it.

This is a well kept Witchcraft and you will not be disappointed.
