

## Caribbean 2400 - Recently serviced & ready to go!

Australia's locally manufactured, much loved & sought after boat - the Caribbean 2400!

This Caribbean 2400 is designed with game fishing in mind - two hardtop mounted spotlights, four rod-holders scattered around the gunwales and a transom mounted bait board with an additional four rod holders.

The cockpit is well designed for the helm & control of the boat, with comfortable seating for a passenger & skipper, deck wash and plenty of storage.

Spacious underdeck storage lockers and side storage lockers provide ample space for all your fishing kits and a deck wash makes cleaning easy.

The forward cabin is lockable, carpeted & offers good headroom. Handy under bunk stowage lockers are located throughout. Hidden under the centre, is a plumbed manual toilet.

Powered by an upgraded Yanmar engine, serviced in September 2023 by an authorised Yanmar mechanic.

This boat is well maintained & ready to hook up & go!

Specifications are as supplied by the vendor and are believed to be correct but not guaranteed. Prospective purchasers are advised to obtain an independent survey report and mechanical check.
