

## Glastron GS 259 - Compact Cruiser with all the luxuries

The Glastron 259 is the only dedicated cruiser in the Glastron range of modern boats, and it's a beauty!

This compact cruiser ticks all the boxes and is popular with small boat owners who desire the luxury of proper overnight & entertaining facilities, without the 30-foot boat price tag! The Glastron 259 is easy to drive with remarkable sea ability. Sleeping 4 and featuring a full height galley and separate head compartment, 'Mono' will suit families or couples.

The well equipped cockpit backs onto a dinette and a bench seat, and leads to the two spacious swim platform, equipped with fishing rod holders, bait board, lights & bbq.

A great all rounder, carrying up to 10 person, 'Mono' is a versatile cruiser, and suited to watersports, fishing, family cruising, weekend or overnight adventures.
