

Carver 444 Motor Yacht Cruiser and Liveaboard

"Laphroaig" is a much loved, well cared for & maintained Carver 444 Cockpit Motor Yacht and offers luxury and space with contemporary styling.

The completely enclosed aft deck is spacious for any custom seating arrangement and features multiple storage lockers, moulded stairways, and wing doors to access the wide port and starboard walk-around side decks.

The well layout of the cabin, multiple social areas plus cockpit with Master Cabin slider access add to the Carver 444's livability.

The spacious cockpit allows private access to the aft stateroom, dual moulded-step access to the enclosed aft deck, easy boarding, transom door access to the swim platform or to carry the water toys. Not to mention, the cockpit is a great spot to fish or enjoy a meal!

The full beam salon, functional galley with new appliances, and dining area combine into a spacious and elegant entertaining area.

Sleeping accommodations offer the luxury of two private staterooms, each with an en-suite head compartment and stall shower. The cabins are wide, roomy and spacious and generous sized windows allow for maximum light.

The flybridge offers plenty of seating and a full enclosure that keeps the captain dry and in the social mix.

The well-engineered engine room has space to maintain the twin 370HP Cummins diesels as well as the 10Kw generator. Three-zone AC/Heat complete the cruising comfort this beautiful Carver 44.

"Laphroaig" is a sensational Motor Yacht and ticks all the boxes. She is a regrettable sale due to interstate relocation.
