

Mustang 3200 Wide Body Sports Cruiser beautifully revamped and recently serviced

The Mustang 3200 Wide Body stands out as a highly sought-after boat, and its recent upgrades make it a must-have!

Boasting recently rebuilt 5.0L Mercruisers and new upholstery throughout, this Mustang has undergone a meticulous transformation with no expenses spared and showcasing a high standard of workmanship.

The Wide Body design not only offers easy manoeuvrability but also provides excellent sea-keeping abilities, effortlessly handling challenging conditions. Ample storage space is strategically placed throughout the Mustang, ensuring comfortable extended stays on board.

Stepping onto 'Keeping Kool,' you'll be greeted by a spacious cockpit ideal for fishing or entertaining. Ascending one step leads to a raised dining/cocktail table adjacent to the comfortable captain's seat. The well-appointed dash features a new touch screen Raymarine plotter/sounder and all the necessary engine instruments for safer and more enjoyable travels.

Descending to the cabin area, the port side reveals a galley equipped with a 2-burner metho/electric cooktop, microwave, and generous counter space. On the starboard side, a dinette seating four comfortably, adorned with brand new upholstery.

The V Berth is larger than a double bed, with portholes allowing refreshing breezes when anchored. The aft cabin boasts a spacious area with a large double bed and a sizeable porthole that opens to the aft deck.

Under the hood, the power plants of this Mustang 3200 Wide Body include one reconditioned engine with less than 2 hours of use and the other engine has undergone a comprehensive makeover with new carburetors. The work has been performed by one of the top Mercruiser specialists in Adelaide, ensuring a clean bill of health for both engines.
