

Mariner 43 Flybridge - Large volume cruiser, recently antifouled

The Mariner 43 Flybridge is a large volume vessel and one of Mariner's most popular models.

'Vagrant' is a semi-displacement boat that offers economical cruising and will have you out mid-ocean in no time. It's a well thought out and large volume boat that can take you on coastal passages, fishing trips, weekends away and could be set up as an ideal live aboard.

The swim platform provides ease of boarding & large aft deck offers storage in a spacious lazarette. Stepping up to the sheltered flybridge, the large pilot & co-pilot seats ensure comfortable navigation and a good vantage point.

A large saloon provides the perfect place to relax and entertain guests and flows into a sunken galley and second navigation station ensuring social cruising.

The functional u-shaped galley is equipped with a 4 burner (gas / electric) cooktop, stove, sink, microwave & fridge, and offers plenty of storage.

Stepping down into the accommodations, two cabins offer a total of 6 berths - a master double cabin and second cabin offering 4 single. The two bathrooms, both fitted with toilet, basin & shower, ensure comfortable cruising for larger groups or families.

The spacious foredeck offers space for a sunbed or stowage of a dinghy.

Revitalise 'Vagrant' with an electronic upgrade and a touch of tlc and enjoy spending time aboard in comfort.

Specifications are as supplied by the vendor and are believed to be correct but not guaranteed. Prospective purchasers are advised to obtain an independent survey report and mechanical check. We are a South Australia's Beneteau, Caribbean, Garmin, Dockmate Dealers and SA Premium Boat Brokers that can take care of your boating needs. We are also BIA registered.
